There is at present no uniformit as regards allowances payable to the Medical Officer located at Sivasamudram on account of the unhealthiness of the place and costliness of living. Different rates have been allowed to different officers, or the same officer has been permitted to draw different rates at different times, as explained in the Office Note. With a view to prevent this irregularity, it is pro osed to grant hereafter a fixed monthly allowance of ₹100 to the Medical Officer deputed for duty at Sivasamudram, in addition to his pay according to the sanctioned scale. This recommendation ma, be sanctioned.

Sir,

No 2 Adverting to para 3 of Government Proceedings No.3798-800/Medl 66-05-4 dated 12th instant, requesting me to explain how Mr.Mascarenhas and others of the Medical Department with a fixed pay according to sanctioned scale, were allowed to draw a different rate of pay, while put in Medical charge of the Camp at Sivasamudram; I have the honor to state that Mr.J.V.Mascarenhas Sub Assistant Surgeon, 3rd class, was at first appointed as Medical Officer in the year 1901, in charge of the Camp at Siva-samudram on Rs.80/- the pay of his grade together with a special allowance of Rs.50/- to cover enhanced cost of living and horse allowance. Subsequently on the representation made by the Sub Assistant Surgeon that Sub Assistant Engineers employed on the Cauvery Power Scheme who are of the same grade as himself have been granted a local allowance of Rs.100/- whereas, he was allow-ed only Rs.50/-, a local allowance of Rs.100/- was granted to him by Colonel Mc Neil Campbell, under Government Proceedings No.727-32/4190-5 dated 17th September 1900 (copy enclosed). Mr. Mascarenhas was therefore given Rs.80 plus 100 local allowance nd it will be seen that in this case, the Sub Assistant Surgeon was not given a different rate of pay while he was borne in the Medical Establishment. Subsequently in their Proceedings No. 13503-4/Mis 3526 dated 11th April 1901, the Government ordered

Explaining the circumstances under which the Sub Assistant Surgeons Srs: Mascarenhas & others of the Medical Dept: were allowed to draw a different rate of pay &c while put in charge of the camps at Sivasamudram.

that the services of Mr.Mascarenhas should be dispensed with owing to the reduction of the Plague establishment,but on the re-presentation of Major de Lotbiniere,the then Superintending Engineer,Western Circle,that Mr.Mascarenhas should be retained in charge of the Sivasamudram Camp as he had proved himself a most energetic and capable officer,Government observed in their Proceedings No.17080-82/Mis 4224 dated 21-6-1901 that if it be considered desirable to retain that officer in the interests of the P.W.D. the question must be dealt with as one affecting that Department exclusively.Consequently special sanction of Government was communicated in your Memo No.451/79 dated 11th July 1901,to the appointment of Mr.Mascaranhas on Rs.80 plus 100,as Medical Officer at the Cauvery Power Scheme his salary being charged to P.W.grant for Cauvery Power Scheme works.From July 1901 Mr.Mascarenhas became a P.W.D.subordinate.But in 1902 on a reference from this office,the Senior Surgeon reported that Mr.Mascarenhas has been taken on to the permanent establishment of the Medical Department.He was then granted by Government 3 years' leave without allowances from 3rd March 1903.During his absence on leave,the Senior Surgeon posted in his place Sub Assistant Surgeon Mr.D.M.Gnanapriam Pillay,who was paid his grade pay Rs.120 plus 100 Local allowance.On the reversion of Mr.Gnanapriam Pillay to the Medical Department one Mr.Dall,not borne on the Medical Establishment was appointed on Rs.220/- . But this Officer's services were subsequently dispensed with by the Senior Surgeon as he had no diploma.Under the above circumstances Mr.Mascarenhas who was willing to have his leave cancelled and return to Sivasamudram was with the approval of Government conveyed in their Proceedings No.G.6204/5 dated 8th June 1904,reappointed by Major de Lotbiniere,Superintending Engineer,Western Circle on an enhanced consolidated pay of Rs.250/- it being the provision made in the Cauvery Power Scheme Budget.This was intended to cover his pay,local and any other

allowances to which he might be entitled.

I have the honor to be,

Sir,

Your most obedient servant,

Chief Engineer of Mysore.
